

FOR IMMEDIATE RELEASE

ORACLE AWARDS BURNETT MUSIC FOUNDATION ITS NETSUITE BUSINESS MANAGEMENT SOFTWARE AND PROVIDES ONE-ON-ONE TRAINING AS PART OF ON-BOARDING PROCESS

Leavenworth, KS (November 19, 2020) - Burnett Music Foundation is pleased to announce that leading business software innovator Oracle Corporation has awarded the Kansas based nonprofit a gift of its **NetSuite** business management software in May 2020. Burnett Music Foundation completed the one-on-one on-boarding training courses with a dedicated Functional Lead Consultant in November 2020.

“Partnering with Oracle Cloud Infrastructure allows us to now manage our nonprofit organization more professionally and efficiently,” said Christopher Burnett, President and CEO. “NetSuite Enterprise Resource Planning (ERP) offers a modern, scalable solution to run all of our key back-office operations and financial business processes in the cloud. NetSuite Customer Relationship Management enables us to delivers true constituent lifecycle management from marketing and opportunity management, to donation management, constituent renewal, and even constituent customer service.”

About Oracle Corporation

Oracle Corporation is an American multinational computer technology corporation headquartered in Redwood Shores, California. The company sells database software and technology, cloud engineered systems, and enterprise software products—particularly its own brands of database management systems. In 2019, Oracle was the second-largest software company by revenue and market capitalization.[5] The company also develops and builds tools for database development and systems of middle-tier software, enterprise resource planning (ERP) software, Human Capital Management (HCM) software, customer relationship management (CRM) software, and supply chain management (SCM) software. Oracle Cloud Infrastructure offers autonomous operations, integrated security and enterprise class services as well as elastic and serverless services both in public regions and customer data centers globally.
